Glimpses of the Celebration of International Women' Day (March8, 2025)

- The Institute also organized **Special help desks as part of the National Campaign "Nayi Chetna 3.0"** to address and spread awareness about gender-based violence. This unique initiative coincided with **National Girl Child Day** celebrated annually to highlight the importance of empowering girls and ensuring their safety and well-being. These help desks were organized at different places in the college including Science, Commerce, Computer science and Arts department. The

help desks provided a platform for students to voice their concerns, share experiences, and gain knowledge about their rights and the legal protections available to them. College Secretary Sh. Ajay Sood, Principal Dr. K.K. Sharma and the staff members educated attendees about laws against gender-based violence, the role of law enforcement, and the importance of a supportive society in combating such issues. The event saw active participation from students and faculty members with sessions focused on counselling and avenues for seeking help.
